Annual Recognition Banquet

Our Annual Recognition Banquet will be held on April 29 at the Rock Valley High School Gymnasium. This will take the place of our monthly inservice meeting. An evening of food, fun and fellowship is planned. The evening will begin at 6:30 p.m. N. L. Sharp, writing consultant and author, will be the featured speaker this year. She wrote the book,

Effie's Image, after having a Foster Grandparent in her classroom.

Books will be available for purchase that evening.

Invite your friends and family to share this evening with you. Invitations have been sent out to supervisors and teachers; please invite them to attend the banquet as well. Guest tickets are \$8.00.

Let office staff know if you will or will not be attending the Recognition Banquet. We need to hear from everyone.

Foster Grandparent Evaluation Forms

Foster Grandparents, please return the annual evaluation form that you received in February. Later this spring, we will set up a time to meet with you individually to review your evaluation of the Foster Grandparent Program.

Please call if you have questions about the evaluation form.

Many Thanks

Thank you to the volunteers that travelled to Sioux City to visit with staff of Senator Tom Harkin, Senator Charles Grassley, and Representative Steve King.

Thank you for all who wrote letters and emails, or made phone calls to the legislative offices.

We feel that the visit, letters, and phone calls had a positive impact.

The Hegg Brothers

Jeremy and Jonathon Hegg perform with a simple premise that well-written music performed well is enjoyable to most everybody.

Their music features well-known classical favorites, messages for the heart, and music to lift the spirit.
